INTERNSHIP

Internzvalley's - Web Development   **2025**

Successfully completed my Web Development Internship at InternzValley, where I worked on real-world projects using HTML, CSS, JavaScript, and other web technologies. Gained hands-on experience in creating responsive, user-friendly websites and improving my problem-solving and coding skills

CodeAlpha - Frontend Development   **2025**

Successfully completed my Frontend Development Internship at CodeAlpha, gaining practical experience in building responsive and interactive user interfaces using HTML, CSS, and JavaScript.

PROJECTS

Result Management System – Link

I developed a Result Management System using HTML, CSS, JavaScript, PHP, and phpMyAdmin. The system allows for efficient management of student results, including adding, updating, and viewing marks. The project demonstrates strong skills in full-stack web development and database handling.

Personal Portfolio – Link

Designed and developed a responsive personal portfolio website to showcase my skills, projects, and resume. Built with clean HTML structure, styled using CSS, and enhanced with JavaScript for interactivity. The portfolio reflects my passion for web development.
